Subject: Updated Stormwater Outfall Data Station IDs

Valerie,

Please notify EPA and NOAA that the Round 3 stormwater outfall and outfall sediment trap databases have been updated to reflect a revision in two stormwater station IDs. The revisions are as follows:

- Round 3A Hwy30 was changed to Yeon-NW35 (LW3-YEONNW35).
- Round 3B Hwy30 was changed to Hwy30A (LW3-HWY30A).

The stormwater data have been combined into one zip file on the LWG server:

Files | Data | Round_3_Data | Stormwater_Data
2008-06-09_-_R3a_R3b_T4Spring_Stormwater.zip

The stormwater outfall sediment trap data (SCRA and validated) were also affected by these revisions and have been re-posted:

Files | Data | Round_3_Data | Sediment_Trap_Data
2008-06-09_-_SCRA_R3a_R3b_Stormwater_Outfall_Sediment_Trap.zip
2008-06-09_-_Validated_R3a_R3b_Stormwater_Outfall_Sediment_Trap.zip

Thanks for your patience.

Sandy
